CWHBA Awards Committee - 2006 Report

The Awards program is continuing to draw horses each year whose owners nominate them for the program. Both registered & entered horses are eligible for Achievement Awards at 3 levels and for a Lifetime Achievement Award.

Since the inception of the Awards program in 1998, there have been a total of 48 Achievement Awards presented over all 3 levels and in 4 disciplines. By far the highest proportion of awards are at Level 1 Dressage, accounting for 18 of those awarded, yet there are now 5 Dressage Level 3 awards, 4 Eventing Level 2 or 3 awards and in 2006, the first of the Jumper Level 3 Achievement Awards with 3 listed here.

To date, only 5 Lifetime Achievement Awards have been presented, which truly reflects the high value of this Award that takes longevity in the sport and years to achieve. Those are:

- 1998 - **Lynx** - approved stallion - Level 3 Dressage award plus points in H/J & Event
