

CWHBA AWARDS REPORT - with Results 2017

CWHBA is proud to sponsor National Performance Awards, including Year End awards, for registered Canadian Warmblood horses competing in recognized competition. Horses must be registered as Canadian Warmblood; studbook entered mares / stallions may accumulate points towards Achievement Awards only.

Awards are given in Dressage, Jumper, Eventing, Hunter and Driving. There are three levels of performance in each discipline for Year End Awards, based on Equine Canada and/or USA Equestrian standards.

This report gives the Year End and Achievement Awards, as well as the Mare Production Awards.

The Mare Premium system was unveiled in 1997 at the National AGM in Mississauga, Ontario. Production awards are acknowledged in two categories: mares scoring at least 3 points based on progeny inspection and performance points, and those scoring from 5 to 9 points. Elite Mare is 10 points or more, which can also include points earned by the mare for her own inspection and/or performance results.

Ten years after the Elite Mare award was initially announced, the first presentations of Elite Mare and Production Premiums were made. At the National AGM held in Brandon, MB, March 2007, the association was proud to present the first 5 Elite Mare Awards; at the 2012 AGM, we presented 3 Elite Mare Awards; in 2014 a strong group of 6 Elite Mare Awards were announced including the first two Thoroughbred mares; we added 2 more mares in 2015, and 1 in 2016. This year, 1 exceptional producing mare joins the ranks of the Elite Mares.

Production premium points are listed on the attached page. Mares earning 5 or more points will receive the Production Premium stall plaque.

Congratulations all on the excellence of your breeding program/s.
