

## **2021 Stallion Service Auction.**

2021 SSA was a great success.

The SSA committee members were very dedicated and every single person of this committee did a fantastic job.

There was a line up of 39 stallions and 19 non semen items. The sales of the semen and non-semen items added up to a gross income for this year's SSA of \$35,681.

We would like to thank the stallion owners for their generous donations of the breeding to their stallions. The business owners and the individuals for the donations of the non-semen items and last but not least, every single person of the SSA committee for their hard work.

We are looking forward for next years foal futurity to see all the foals that are the product of this year's SSA.

André Sigmond.
