

CWHBA AWARDS REPORT - with results 2021

CWHBA has been very proud to sponsor National Performance Awards, including Year End and Achievement Awards, for registered Canadian Warmblood horses competing in recognized competition. Studbook entered mares / stallions may accumulate points towards Achievement Awards only.

Awards are given in Dressage, Jumper, Eventing, Hunter and Driving. There are three levels of performance in each discipline for Year End Awards, based on Equestrian Canada and/or USEF/USEA/USDF Equestrian standards.

Unfortunately, COVID-19 continued to impact the horse show industry across the nation, and events were still limited. Given that results were submitted, we are proud to award these Year End and Achievement Awards for 2021 and look forward to a more complete show schedule in 2022.

This report gives the Year End, Achievement Awards, Mare Production Awards and Licensing stallions from 2021. No Lifetime Achievement Award was attained in 2021. No long format Mare Inspection was held in 2021.

Congratulations all on the excellence of your breeding program/s.

Additionally, the inspection sashes approved in 2019 were not produced due to the insecurity of 2021 and hopefully will be ready for the 2022 inspection season.

Stallion Inspections: 2021 -

Covid 19 caused several temporary changes in stallion licensing procedures the past two years. The different rules regarding interprovincial travel between chapters, and the quarantine regulations for international travelers resulted in our inability for a second year to offer a national tour in 2021.

To that end, video licensing was introduced with each chapter providing a team of inspectors, including at least one Senior National Inspection tasked with inspecting and making judgment on these young horses with the entire process professionally video taped. The final evaluation was conducted online by video, with a panel which included: Jan Ove Olsson from Sweden, Haakan Whalman from Finland, as well as CWHBA representatives, Chris Gould, AB, Christian Poschung, ON, and Marilyn Powell, BC, and moderated by Stud Book Committee Member, Jennette Coote.

From 11 stallions presented, the following 8 stallions successfully Licensed in 2021. Congratulations!
