

Celeste Caskanette

I am Celeste Caskanette and I am from Ontario Canada. I am currently attending university, where I am pursuing an Honours of Science degree. I started riding horses when I was 7 years old, and quickly fell in love with it when I did. Currently, I own a 5 year old OTTB mare named Belle, where we do the hunters. A goal of mine is to one day make it to the Olympics! I heard of Young Breeders through some people in the horse industry, and since then, I had an interest in expanding my knowledge in breeding to add to my portfolio. I am looking forward to the competition in July and the wonderful opportunities in the future!
