

Mikayla Brummund

I'm Mikayla Brummund and currently, I'm a grade 12 student at the Eston Composite School. I live on a grain farm in SW Saskatchewan near Eston. I plan on attending the University of Saskatchewan in the fall to study Agriculture. I have been riding since I was 5 years old. I ride with Lisa Longtin at her barn Merrington Warmbloods. My main disciplines are jumping, eventing and dressage, but I also do a bit of western riding too. I currently have three horses. My most recent acquisition this October was Leia, a 5 year old Hanoverian mare. I hope to do jumping and eventing with her in the future. I became involved with the Canadian Warmbloods through my coach Lisa. I look forward to representing Canada at IYB in the Netherlands this July!
