

CWHBA AWARDS REPORT - with results 2022

CWHBA has been very proud to sponsor National Performance Awards, including Year End and Achievement Awards, for registered Canadian Warmblood horses competing in recognized competition in Canada, and the US, or Internationally. Studbook entered mares / stallions may accumulate points towards Achievement Awards only.

Awards are given in Dressage, Jumper, Eventing, Hunter and Driving. There are three levels of performance in each discipline for Year End Awards, based on Equestrian Canada and/or USEF/USEA/USDF Equestrian standards and International competition.

Fortunately, the impact of COVID-19 restrictions lessened, and the horse show industry across the nation started to rebound. We are proud to award these Year End and Achievement Awards for 2022 and look forward to a more complete show schedule in 2023.

This report gives the Year End, Achievement Awards, Mare Production Awards, SPT and Licensing stallions from 2022. We are excited to acknowledge an excellent 14 Achievement Awards being presented for 2022, earned in Dressage and Jumpers.

No Lifetime Achievement Award was attained in 2022. No National long format Mare Inspection was held in 2022.

We are proud to award an ELITE MARE to Wachter Horses' imported Holsteiner mare WH CASCARINA. This exceptional mare bred by Guenther Roskothen of Germany, competed to the 1.40m level and is dam to an approved stallion, and a 1.40 m horse in the USA, in addition to performance of her other progeny. Her approved son, WH LUCIANO, is winner of the Level 3 Jumper for 2022 for his own successes at the 1.40m level. Sport equivalents were awarded for non-nominated horses from official results database.

Congratulations all on the excellence of your breeding program/s.

The new inspection sashes approved in 2019 will finally be ready for the 2023 inspection season. Look for them at your inspection!

Stallion Inspections: 2022

The temporary changes in stallion licensing procedures over the past few years were maintained for 2022 for all chapters bar the one in-person licensing at the Alberta Stallion Performance Test with the one foreign official, Jan-Ove Olsson from Sweden, joined by Joanne Wright, AB, Connie Dorsch, SK and Lisa Longtin, SK.

Video licensing was continued with each chapter providing a team of inspectors, including at least one Senior National Inspection tasked with inspecting and making judgment on these young horses with the entire process professionally video taped. The final evaluation was conducted online by video, with a panel which included: Jan Ove Olsson from Sweden, Haakan Whalman from Finland, as well as CWHBA representatives, Chris Gould, AB, Christian Poschung, ON, and Marilyn Powell, BC, and coordinated by Stud Book Committee Member, Jennette Coote. From 15 stallions presented, the following 8 stallions successfully Licensed in 2021. Congratulations!
