

CWHBA AWARDS REPORT - with results 2023

CWHBA has been very proud to sponsor National Performance Awards, including Year End and Achievement Awards, for registered Canadian Warmblood horses competing in recognized competition in Canada, and the US, or Internationally. Studbook entered mares / stallions may accumulate points towards Achievement Awards only.

Awards are given in Dressage, Jumper, Eventing, Hunter and Driving. There are three levels of performance in each discipline for Year End Awards, based on Equestrian Canada and/or USEF/USEA/USDF Equestrian standards and International competition.

The horse show industry across the nation has rebounded with full slates of competition now offered. We are proud to award these Year End and Achievement Awards for 2023.

This report gives the Year End, Achievement Awards, Mare Production Awards, and Licensing stallions from 2023. We are excited to acknowledge 9 Achievement Awards being presented for 2023, earned in Dressage, Hunter and Jumpers. We are also exploring the addition of the EC Equitation division to our slate of Awards.

No Lifetime Achievement Award was attained in 2023. No National long format Mare Inspection was held in 2023.

We are proud to award two ELITE MARE for 2023. Their own bred, imported Swiss Warmblood mare GRACE KB became a foundation mare for Sigma Warmbloods breeding program, producing many successful offspring in sport in both Dressage and Jumpers. Next, the Trakehner mare NINEMO bred by Walt Staples of Alberta, became the foundation mare for the highly successful program of Sorine Winther, and is the grand dam of our special Achievement Award winner, BIG TICKET ... winner of both the JC & CET Medals in 2023. Sport equivalents were awarded for non-nominated horses from official results database.

Congratulations all on the excellence of your breeding program/s.

Stallion Inspections: 2023

The changes in stallion licensing procedures over the past few years were maintained for 2023 for all venue. There was no Stallion Performance Test held in 2023.

Video licensing was continued with each chapter providing a team of inspectors, including at least one Senior National Inspector tasked with inspecting and making judgment on these young horses with the entire process professionally video taped. The final stallion evaluation was conducted online by video, with a panel which included: Haakan Whalman from Finland, as well as CWHBA representatives, Jennette Coote, Chris Gould, Janine Olson and onsite inspectors, Cathy Chalack (AB), Marilyn Powell (BC); moderated by Janice Tyndall.

From 7 stallions (ages 3-24 years) presented, six were licensed with one asked to represent in 2023. Congratulations!
