

2023 Stallion Service Auction

We had another great line up of stallions for the 2023 Stallion Service Auction.

There were 31 breedings donated of which 28 were sold. This resulted in a revenue of \$19,155.

13 “non-semen” items were donated which resulted in a revenue of \$3,523.

The sales of the semen and non-semen items added up to a gross revenue of \$22,678 for the 2023 SSA.

We would like to thank all stallion owners for the donation of their stallion services, the business owners and individuals for the donations of the non-semen items and of course the buyers for purchasing the stallion services and non-semen items.

And last but not least, a big thank you to all the volunteers for all the time and energy they gave to make the 2023 SSA a success.

André Sigmond.
