

## Mikayla Brummund

Let me introduce myself, my name is Mikayla Brummund. I'm 19 years old and I am from Eston, Saskatchewan. I am in my second year at the University of Saskatchewan working on my degree in the College of Agriculture with a major in Agronomy. My plan is to take over the family farm once I complete my agriculture degree.

While I attend school in Saskatoon, I board my horse, Baylo, and ride three times per week.

I have been riding since I was 5 years old. I have had many horses throughout my life and have had the opportunity to try many different disciplines. However, my main disciplines are jumping, dressage, and eventing. I have been riding with my coach Lisa Longtin for 10+ years at her barn Merrington Warmbloods. I currently have three horses. My most recent purchase was my mare Baylo a 15-year-old Canadian Warmblood. I became involved with the Canadian Warmbloods through my coach Lisa. I look forward to representing Canada at IYB in Denmark this July!
