President's Report

Submitted by Cathy Chalack

WELCOME and HAPPY NEW YEAR to everyone to the ANNUAL GENERAL MEETING of the Alberta Chapter of the CWHBA.

What a year we have had! I know many of our members are already showing in Florida and California, I hope they can attend today or at least can volunteer on committees.

The Board of Directors met every month on the first Tuesday at 7 pm via zoom or phone in to manage the affairs and events of the chapter.

I am thankful for all the members who have supported the club and made my position enjoyable to manage! Thank you to my executive Cassandra Morrish, Kailey Parkin and Janet Storey.

We have a full service website and full time administrator at the CWHBA NATIONAL OFFICE IN SASKATOON SK - VICTORIA KENDALL

Education Committee Report

Submitted by Heather Smith

Report

Well another year has gone by and the Alberta Chapter completed 4 Specific Education events for its Members.

The first was a Zoom Seminar April 24, entitled, “Social Media and the META platform.” This was put on by Kacey Tams, a Chartered Accountant of Taber. Kacey is involved in promoting her own mobile bar service business and the hostess of a charity fundraising auction/event on Facebook. We did not charge for this event and those that attended felt it was a good primer to get us using this platform to promote our horses. It was well attended with over 40 people in attendance.

Facebook has some rules about “selling” animals that Kacey specifically addressed and gave us some good information about ‘timing’ our posts in order to reach the maximum exposure to the platform. She also encouraged us to try to stay active on the platform, which boils down to making quite an organized effort. You need to be engaged with the whole process but there are ways of ‘scheduling’ your posts so it doesn’t have to be so overwhelming.

The second event was also a Zoom Seminar entitled “Mare Management for Breeding” with Dr. Alysson Macedo of Fen Vet Equine about 1 month later on May 28th. Again we did not charge for this event and it too was well attended. Basic information on Breeding your mare was discussed, enlightening us on some of the pitfalls of the process addressing why we are sometimes not successful in having a positive outcome. Attendees were encouraged to submit specific questions in advance so Dr. Macedo could address individuals' concerns.

One week later the third educational event entitled Foaling 101 A primer for a Happy Ending. Our presenters, Janine Olsen and Heather Smith gave a very informative and entertaining hour long seminar which was also well attended. This seminar was recorded and is supposed to be available to others through our National Office. However At this time I still do not see a link to it on our National website. This is most unfortunate because it would be beneficial to our breeder’s to have access to this presentation as a refresher for reference

To wrap up our educational platform of 2024; This year's Sale Gala, Celebrating the 30th Anniversary of the Canadian Warmblood Auction, featured a wonderfully entertaining talk by world renowned naturalist Brian Keating. Mr Keating spoke to a small but enthusiastic audience on “Why are They so Smart?” The Astounding Behavior of Big Brained Creatures. Mr. Keating was so very personable and entertaining. He helped make the evening memorable for all that attended.

We are looking to continue to promote on presence on social media, please ensure you are using the hashtags #canadianwarmblood and #cwhba, also please tag our accounts so we can reshare! We would love an individual to volunteer who excels on social media content to continue to keep Alberta CWHBA horses in the spotlight.

Excellent visibility at several events this year as mentioned in the President's Report.

CWHBA merchandise including clothing, saddle pads, coolers and more are now available through My Stable in addition to the Land's End option. Click [here](https://mystable.ca/canadian-warmblood-horse-breeders) to see the shop <https://mystable.ca/canadian-warmblood-horse-breeders>

We are always looking to sponsor events! Please reach out to **ab_chapter@canadianwarmbloods.com**

Budget

We are looking to increase the budget as this will encompass several committees in one.

2024 we are proposing \$20 000 as the Promotions and Marketing budget. This includes sending personnel to both the IYB Championship in Germany as well as the WBFSH Annual Meeting in South Africa. We are aiming to host one Education event this year as well from this budget. The balance of the funds will be put towards promoting the Alberta Chapter and the interests of the CWHBA.

CWHBA Alberta Trailer

Currently working on preliminary quotes on a CWHBA Alberta enclosed trailer. This will serve as a home and transportation for our jump standard sets and storage for all our promotional materials in one place. Think an office on wheels! Excellent for exposure at numerous Alberta equine events and gatherings alike and a great asset for the Chapter to have for many, many years to come.

Below is an AI generated image of what we would want to achieve:

International Young Breeders

Submitted by Kailey Parkin

Report

The Alberta participants of the 2024 CWHBA Young Breeders' team had a stellar performance at the 2024 WBFSh International Young Breeders' World Championships at Stutter Ask in Denmark.

Senior Team member Amy van Oosten and returning Junior Team member Tayler Mundt did exceptionally well representing the Alberta Chapter. Both team members work exceptionally hard on fundraising outside of the chapter sponsor, all while raising awareness for this phenomenal program.

For Amy “the experience has really helped develop my eye. We have a breeding program here that I've kind of been helping with, and I'm going to be taking our foals this year to the inspection. This has definitely helped me know what to expect.” She added “I really enjoy the judging aspect. I hope to maybe be a junior judge.”

Tayler echoed similar sentiments. “My highlights are kind of similar, improving your technique and your eye so that you can practice and know what to look for when you're breeding. But then also making connections within the different teams so that you have connections in different parts of the world. A lot of the teams stay fairly similar, but they do change out a few people, so it's nice seeing the people from last time that I got to make friends with and also making new connections.”

The competition was very well attended with 20 studbooks competing. The competition was very close as CWHBA placed 15th with only 80 point separating 1st from 15th.

Thank you again to everyone who donated to the Silent Auction fundraiser! **A HUGE thank you to our sponsors: Ulterra Equestrian, Conek Energy, Greenhawk Cochrane, Trace Embroidery, Legacy Performance Training, Rocky Six 2 Ranches, Two Willows Equine and JennBee Travel.** With the generous donations of our sponsors, the future of this program looks brighter than ever!

The 2026 WBFSH International Young Breeders' World Championship will be at Landgestüt Celle, Germany July 16-19, 2026!

We have already started our fundraising efforts! Our goal is to raise \$10 000 for our 2026 Alberta Team Members. Interested in sponsoring the team? Reach out to ab_chapter@canadianwarmbloods.com for sponsorship opportunities.

Budget

- With it being a competition year – the proposed budget for IYB is primarily around travel expenses pertaining to the competition and a team training prior to leaving for competition
- The 2024 Alberta Team Members and Coaches raised almost \$11 000 for their expenses through an online silent auction, GoFundMe and CWHBA Alberta Chapter contributions
- Based on preliminary research into travel arrangements, there is an increase in expenses compared to the 2024 travel for the team - flights alone are ~ \$2000.00 + tax roundtrip from Calgary to Germany
- Similar to the 2024 team, I will spearhead fundraising efforts to assist in mitigating out of pocket expenses for all Alberta team members and coaches – Alberta Chapter contribution to 2024 Team was \$6000.00
- All the marketing and promotions for IYB thus far has been free via Facebook posts, e-news and word of mouth
- Proposed budget for 2026 team is \$7500.00 (2025: \$3250.00, 2026: \$3250.00)

Communications

Submitted by Chris Gould

Report

Below is an overview of the Communications portfolio. There are a few issues I would like to draw your attention to first.

1. We are always happy to add more volunteers to our team, especially people with skills in media. Needed are: a video editor, writers, graphic designers, news hounds.
2. We are always looking for news to share, about horses, people and events.

We have pretty good exposure through our website, enews, social media and published articles in World Breeding News, but we would like to do much more.

Who we are:

Director of Communications – Chris Gould

Editorial Board – Janice Tyndall, Jennette Coote, Victoria Kendall plus review by contributor (ie SSA enews)

Communications and Marketing Strategic Planning – Janice Tyndall, Cathy Chalack, Kailey Parkin, Maria Ardito, Joy Cook, Dana Young, Victoria Kendall

Social Media Team – Andrea Jones, Courtney Lee and Tara Kennedy

Web Master – Peter Llewellyn

Overview – The communications portfolio encompasses,

- Managing and updating the website
- Managing the SmugMug photo gallery for public display and private archiving of pictures and videos
- Enews sent monthly plus additional notices and announcements as needed for chapters or committees. (30 plus per year)
- Monthly article in the World Breeding News
- Social media – two Facebook pages and one Instagram as well as coordination with chapter and other related Facebook pages.
- YouTube Channel – post videos
- Administrative oversight of the online helpdesk and zoom account.

Special Events

- Stallion Service Auction – enews plus Facebook and Instagram posting
- Foal Photo contest – conceptualized by the Social Media Team and launched in 2023.
- AGM– Send out announcements, upload documents to the website and set up the zoom calls if the meetings are held online.

Goals for 2025

- Find a way to get people into the habit of forwarding news about CWHBA horses when there something of interest.

- Revamp the stallion directory. Searches on the website for the stallion directory usually ranks number one or two each week. Stallion owners are under utilizing the service. There is a simple upload form, however we plan to make further enhancements to the directory and make more effort to solicit stallion owners to make sure their stallion is properly posted.
- Add a breeder directory to the website, similar but better than the one we had on the old website.
- Coordinate our a social media better. Facebook seems to be the preferred method for Chapters to communicate with members so perhaps we need to recognize that and figure out how to share posts better.
- YouTube Channel – Edit and post videos to share information, seminars etc. And embed in the website. It is badly underused. We need someone with technical ability to edit videos.

Your ideas, input and help are always welcome!

New Business

- Please submit questions any time to cwhba-ab@outlook.com and we will respond promptly
