

2026 SSA Report

Below is chart that shows the activity of the auction over the last few years. 2026 was a strong year raising a total of \$20,445 in semen sales, and \$8,662 in non-semen items for a total of \$29,107. A total of 23 breedings were sold over 2 rounds, out of 40 breeding donations. There were 30 non-semen items, including sponsorship packages of these 17 items were sold over both rounds.

The annual SSA is the primary fundraiser for the CWHBA nationally and for the chapters. The success of this fundraiser is due to this committee's dedication, the generous support of industry partners and stallion owners across the country.

Be sure to get out to your local futurity each year to see the results of these stallions!

Best wishes for a successful breeding season in 2026.
