

Hello, my name is Jessica Larkin, and I am from Guelph, Ontario. I am 23 years old and have the opportunity to represent CWHBA on the senior team for the second time. I ride at CJ Equestrian with Lyssa Caine where I do dressage, however, I have also done eventing and showjumping in the past. My current horse Indy is a 9-year-old thoroughbred who I have developed since coming off the track and I compete her in dressage. Outside of my riding I attend the University of Toronto for my masters of physiotherapy. I had the opportunity to be on the CWHBA IYB team in 2024 when we went to Denmark and I am very excited to join again for the 2026 competition and see how I can improve in Germany! Attending the last IYB championships allowed me to not only expand on my knowledge of breeding and conformation, but it also allowed me to foster connections with my teammates and the other teams at the competition. In Germany I am hoping to continue to better my knowledge of all things breeding.
