

My name is Victoria Smith. I am 22 years old and from Guelph, Ontario. I started horseback riding when I was very young. I grew up taking part in many Western Ontario Pony Club events and competitions. However, after an eight-year break due to a riding accident, I have spent the last two and a half years training at CJ Equestrian Centre and competing with the Waterloo Equestrian Team. Outside of riding, I am a fourth-year student at the University of Waterloo, pursuing a BAsC in Chemical Engineering. I am honoured to represent Canada at the 2026 International Young Breeders World Championships and am excited to continue learning and training alongside my teammates as we prepare for competition in Germany.
