

I'm Grace McConnell and currently, I'm a grade 12 student attending Bert Church High School in Airdrie AB. I am currently training with Erin Stauffer through Legacy Performance Training at Ulterra Ranches. Riding is my passion and my escape. My main discipline is jumping, which I pursue with Sera, a pinto Canadian Warmblood mare. It was through Erin and Taylor Mundt that I learned about the CWHBA Young Breeders Program. With their support and guidance, I tried out for the team. One of my goals is to learn as much as I can about what makes a great sport horse, so I can eventually buy one of my own. I'm really excited to represent Canada with teammates that also share a passion for horses this summer!
